Kinma Primary Kitchen

The Kinma Kitchen has tremendous benefits for our school community, but is in need of refurbishment. Like in the family home, the Kinma kitchen is not simply a functional room that enables the preparation of meals, but also a place of connection and memory making.

We know that the Kinma Kitchen is used by students, staff and family members throughout the year in a variety of ways.

It is the location of many conversations throughout the school day, the place where snack attack originates, where you can get a cuppa anytime, as well as a significant part of celebratory events throughout the year, such as the bush dance.

We are in the process of obtaining quotes for the installation of a new kitchen in order to have an accurate picture of the cost. We will be asking for your help in raising funds to undertake this project. And we hope that Kinma families will help us keep the costs down by doing parts of the project like removing the old kitchen as well as aspects of the refurbishment.

So what are we going to do to start the fundraising for our new kitchen?

Host a child focused afternoon tea, inquire about possible donation from local businesses, hold a family event, as well as asking parents to donate to the (tax deductible) Kinma Building Fund.

We hope that the project will be completed for the beginning of term 2 next year.

If you'd like to be involved in any of these initiatives or have any other ideas that will help to bring the new kitchen dream alive, please contact me directly or touch base with the office.

Preschool Ratings and Assessment

Just letting the community know that the Department of Education and Community were unable to come and see our wonderful Preschool this week for the Ratings and Assessment. We are waiting to hear when they can visit.

Please!

Dear Kinmites,

As you are aware Kinma has a fundraising project to renovate the primary kitchen.

To assist with this project and help me get the hours required to keep my physiotherapy registration I have decided to offer my time providing physiotherapy sessions to the Kinma community or anyone who might be interested (adults).

My approach is holistic and gentle. I use hands-on energetic techniques allowing release of tensions as well as the stress and emotions that are behind them. All information shared will stay confidential and I am covered by professional insurance.

Where: in the Kinma hall

When: during school hours on Tuesdays (after yoga), Thursdays and Fridays.
(23/10 - 2/11)

Price: \$20 for 30min or \$35 for 1 hour. All proceeds will go to Kinma.

How to book: at the Kinma bazaar this Friday or else contact me directly: 0404 464 842.

Feel free to ask me any questions if you require more details.

Whether you are experiencing pain, tension or just want to feel more relaxed I am here to help you!
