Attendance at Kinma

Dear families

We are writing to let you know of a change to attendance records at Kinma. As we are such a small and supportive community we have over the years not followed up on children being away unless it has been for a few days.

However, from Term 4 this year we have changed the protocol for attendance procedures. Within the education world this area of child protection has always been high on the radar; however with the ongoing royal commission recommendations and other serious incidents everyone is tightening the frameworks.

So this is how it works at School:

- Each group teacher has the attendance record marked by 10am
- 10.30am Administration reviews all rolls and sends an SMS to parents for any unexplained absences
- If no response to SMS a telephone call is made to parents/guardians to follow up within the hour
- Administration will continue to exhaust all contacts and if concerned contact emergency services

This process is not undertaken at the Preschool, as all children (at Preschool) are required to be signed in by an adult over 18 years of age.

SO, please support us, to support and hold your children by SMS to the School mobile: 0474 500 707 or emailing office@kinma.nsw.edu.au as soon as you know your child is not attending for the day.

Thank you.

Gratitude Gathering

This is happening tomorrow, **Saturday 1st December, 4.00-7.00pm.**

We look forward to singing some favourite songs and sharing supper together. We'll be changing the format of this and sitting outside, so please bring a picnic blanket to sit on.

Fees

If there are any outstanding fees please finalise these asap. Monies are all due and to be finalised before the end of term.

Hats

Can you please ensure your child brings a hat to wear at school. All of our spares have vanished - if you have any of these (labelled Kinma) please wash and return them next week.

Green
Umbrella
OSHC Inc.

A big **thank you** to everyone who filled out the survey regarding use of the after-school care service at Green Umbrella. The number of people intending to enrol children in term 1, 2019 is positive. We are in the final stages of registration and are looking forward to bringing you a quality service next term.

To make sure you pay the least amount possible for out of school hours care with Green Umbrella it is important to register your child with Centrelink and obtain a Customer Reference Number as we will be asking for this number on the enrolment form.

If you do not know if your child has a CRN please call **Centrelink 136150** and they will let you know what you need to do to apply for one.

For more information you can go to the human services site <https://www.humanservices.gov.au/individuals/services/centrelink/child-care-subsidy>

Or feel free to speak with Amy or Sam if you have any questions.

Let's have some after school fun in 2019!

Group 2

Welcome to Group 2 News!

Oh la la, it's Week 7 and almost the end of the school year!

Beautiful Parents in Group 2

We've been really fortunate to have parents coming in to Group 2 and sharing with us their love and expertise.

Nic hosted an art session where Group 2ers walked around our school identifying plant totems they have selected as part of our theme this term. Some of these natural beauties became the subject of huuuuuge still life pictures created by burgeoning artists of Group 2. The pictures below don't do these artworks justice. Come and see them in real life!

We've also had Karen and Lesley in to do sewing with us and Group 3 during our Friday 'Crafternoon!'

Dramatic Pursuits!

This term our literacy groups are in the process of or have already rehearsed and performed reader's theatre performances for their peers. They have worked really hard and on Monday at our Whole School gathering, one of our groups called 'The Milkshakes' performed a play called 'Rumpelstiltskin- Private Eye'. After very short notice and a two week hiatus since their previous performance the group gave it their all on stage. Thank you, Milkshakes!

Transition!

Over the past two weeks we've had the pleasure of welcoming Transitioners from Group 1 into our room.

We've played some great maths games together, cut up watermelon (fractions!), created some very colourful and meditative artworks to music and got to know each other a little bit more.

That's all from us this week!

Tristan, Deepika and Group 2!
