

PRIVACY POLICY

1 PURPOSE

This policy is to guide staff on the principles and practices established to safeguard the privacy of students, their family, staff and volunteers at Kinma. This policy demonstrates how Kinma collects, uses and discloses the personal information it collects.

2 POLICY STATEMENT

Kinma is committed to safeguarding the privacy of students, their families, staff and volunteers. The *Privacy Act 1998* (Cth) (Privacy Act), Australian Privacy Principles and any relevant registered privacy codes govern the way Kinma manages personal information.

Kinma collects and holds personal information about students and their families that is necessary for or related to our activities and the services we provide. Kinma collects personal information of parents and guardians, students, employees and stakeholders for the primary purposes of

- providing early childhood and primary education
- advocating for the well-being, protection and development of children
- documenting student learning
- managing students' current or prospective enrolment
- providing families with information about our organisation, services and activities via letters, email, SMS and other centre or organisation communication channels, and
- requesting information from families about our organisation and services via surveys.

Kinma will use personal information only for the purpose for which it was collected or a for a reasonably expected or related secondary purpose.

The purposes for which personal information is collected will generally be clear at the time of collection.

3 PRACTICE

3.1 Information collected

The kinds of personal information Kinma collects and holds may include :

- personal details - name, former names, gender, date of birth, birth certificate
- contact details - address, phone numbers, facsimile number, email address
- financial information - bank account details, credit card number, tax file number, Centrelink Customer Reference Number
- custody arrangements and parenting orders
- other information relevant to providing Kinma service, for example Working With Children Check status.

Government requires us also to collect education and employment data in relation to parents and guardians.

Additional specific information Kinma collects and holds about students may include:

- medical information - immunisation status, Medicare number, dietary requirements, doctor's details, medical conditions, additional needs
- languages spoken
- photographs and videos of students, samples of students' work and general information about students and their family that assists us in providing individualised early learning and care.

3.2 Method of Collection

Personal information will generally be collected directly through the use of standard forms, over the internet via our website, via email or written communication, or through a telephone conversation. Photos and videos of students and students' work samples are collected direct from students by staff. Name, address and phone numbers of children's additional emergency contact people are collected from children's parents or guardians.

3.3 Sensitive Information

In some circumstances Kinma may seek to collect personal information that is sensitive. This may include information such as a student's racial or ethnic origin or any cultural or religious requirements. We are also required by the *Education And Care National Regulations* to collect and hold details of your child's medical conditions, immunisation history and additional needs. We collect this information as it is reasonably necessary for ensuring the well-being, protection and development of students.

Kinma will only collect your sensitive information with your consent and will ensure that it is stored securely. Parents should refer to *Section 3.4* (below) if they do not wish to provide sensitive information to Kinma.

3.4 Failure to Provide Information

A person who does not wish to provide personal information in accordance with this policy should discuss their concerns with the Kinma office staff. Kinma staff will discuss the reasons for seeking the information. They will also advise of any consequences that follow the failure to provide complete and accurate personal information. There are situations in which Kinma may not be able to enrol or continue the enrolment of a student in the absence of certain personal information.

3.5 Access and Correction

A person may request access to their personal information held by Kinma. Such requests should be in writing. Only the Head of School or Authorised Supervisor of preschool may provide you with access to your personal information.

If a person believes that the personal information Kinma holds is incorrect, they should inform the Head of School or the Authorised Supervisor (as appropriate). We will take reasonable steps to correct the information so that it is accurate, complete and up to date.

In some circumstances prescribed by the *Privacy Act 1988*, such as where to do so might put a person at risk of harm or have an unreasonable impact on the privacy of others, Kinma may decline access to personal information. If your request for access is denied, Kinma will tell you why

3.6 Disclosure

Kinma will only disclose personal information for the purpose it was collected or a reasonably expected or related secondary purpose.

We may disclose personal information about you or your child to child protection agencies or family support agencies when we reasonably believe that a child is at risk of significant harm, as required by Kinma's Child Protection Procedure.

Kinma may use and disclose student, parent or staff data including health or sensitive information with its data and communication services suppliers however Kinma takes reasonable steps to ensure that such service providers are bound by the Australian Privacy Principles and adopt reasonable security measures. Those data and communication service providers may be in Australia or offshore.

Kinma will not otherwise disclose personal information to a third party for any other purpose without your consent unless it is authorised or required by law.

3.7 Direct Marketing

If Kinma has collected information directly and we believe you would expect us to, we will use or disclose your personal information to communicate directly with you to promote our services. Kinma will provide you with a way to easily opt out of receiving direct marketing messages and will stop sending direct marketing communications if you ask us to. Primary carers may not opt out of receiving direct communications from Kinma relating to school activities, events or news.
