

PLAYGROUP NEWS

Another great morning at Playgroup this week. We regularly welcome new people who've heard about us at the markets, from friends and online. So if you have a friend with a baby/child 3 or under, please suggest they come along!

Such a lovely mix of people who come from as far as Lane Cove, Hornsby, Avalon & Manly. A great time to hang out in the beauty of Kinma, have a cup of tea, and watch our children having a wonderful time.

Great construction work underway

Mums get a chance to chat with a cuppa while their kids have their own morning tea party

3 generations come to play

Possibly our youngest visitor (under the blanket) at just 3 weeks old.

Lots of awesome digging and negotiation over trucks & diggers

Time to just hang out

Music time! Probably the most popular time of all. Especially when tooting a merry tune!

And then we basically get the kids to pack away and tidy up while we watch on (ah, if only!).
But great cooperation as everyone chips in to help.
