Northern Beaches Schools' Expo

We are very excited to be part of this Expo, which is the first time it's been held on the Northern Beaches. This is an occasion for prospective students and parents to meet with school representatives, and an opportunity for Kinma to claim our place among other quality schools in our area. The Expo also allows parents the chance to visit us along with other schools all under the one roof, and to ask questions without obligation.

Sunday 4th June, 10am-2pm
Kinma Open Day 'School on Sunday'

This is a best way for prospective parents and students to visit Preschool and Primary. They will have the opportunity to see first-hand how we actively integrate creativity, critical thinking, problem solving, communication and collaboration skills into our curriculum. The Open Day operates as a normal school day so prospective families can experience a day, observe students participating in classes, take a school tour, hear informative talks, partake in O&A groups, meet staff and current parents, and then join us for lunch.

Primary students attend this day, and have Monday 5th June off in lieu.

Wednesday 21st June, 7-9pm, School Hall
Kinma Alumni Evening

"Kinma provided me with the ability for self-directed learning, which was vital in all later education. Fostering a passion for education at a young age has meant that I have continued to love to learn and continue my education at all levels."

Come and meet some Kinma Alumni – students and parents, hear more about how Kinma's creative approach to education fostered a lifelong love of learning, and what happened after Kinma.
