Making their mark

We had some extra help from the pre-highs making their mark on our new building this week.

Come and join us as we celebrate and farewell our amazing juli g – please bring a plate to share. Everyone welcome!

Farewell to our students – Friday 15th – 12.30pm for 1.15pm

Next Friday 15th December is the day of Farewells for our students going off to high school.

We invite you to come and join us at 12.30pm for a picnic (byo) and for everyone to be seated in the hall by 1.15pm to enjoy the company of these amazing students.

*****Please park on the school side of the road only to allow access for the bus*****

Lost Property

There are a lot of lost property items – please come and take a look at the new rack in the library to see if any of it belongs to your family. Left over items will be washed and cleaned and put in a charity bin at the end of term.

Collection for Northern Beaches Homeless Youth

We would like to help youth on the street of the Northern Beaches so they can possibly have it a little bit easier.

We need your help! We are hoping that together we may be able to get these, and these are things we think young teenagers doing it tough may want:

- Deodorants
- Wipes
- Make up
- Hair brush / comb
- Opal cards
- Movie tickets
- Books/journal
- Tooth brush
- Toothpaste
- Sun screen
- Hand balls
- Gift vouchers
- Insect repellent
- Stationery – nice pencils and paper

Donations can be dropped off to the Office and Preschool.

Thanks.

Dear Soccer loving parents

As parent of a competitive soccer nut, as a parent who can't stand the competition in the game, here is a video which put a smile on my face.

Please watch with your soccer playing children.

Please also watch with any children who enjoy different languages.

Pass around the soccer teams if you like

GROUP 2 NEWS!

We can't believe it's almost the end of the term, time is flying!

Arty Farty Art Hunt @ The Art Gallery of NSW

Last Friday Group 2 hopped on a bus and headed into the city for an excursion to the Art Gallery of New South Wales.

We were joined by a beautiful group of parents who supported the children and us on the day.

After morning tea under the dappled shade of an ancient Morton Bay Fig Tree, we headed into the majestic building.

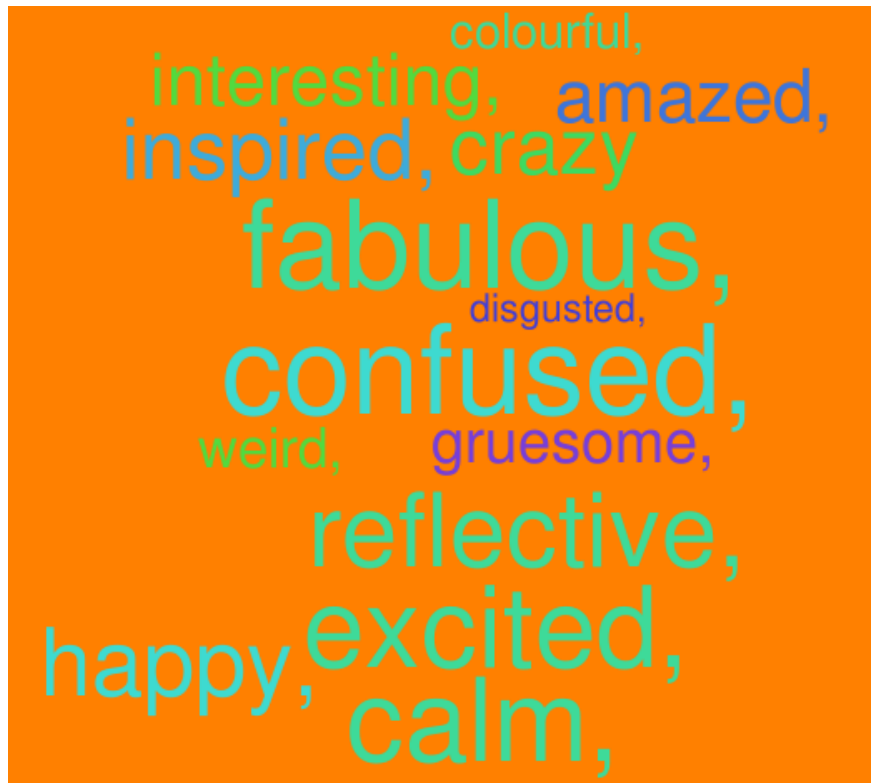

During our time there, each group hunted for different artworks throughout the gallery. Once they spotted the artwork they had an opportunity to sit and ponder.

Children had time and space to think about the artists and the stories and the emotions that were invoked by each of the artworks.

Some of the words Group 2 came up with to describe their experience

Inspired...

happy...

Weird, Fabulous, interesting...

'Oh, my goodness I LOVED the Picasso!'

- A member of Group 2

Due to the level of excitement that some of Group 2 felt after seeing Picasso's 'Nude in a Rocking Chair' we decided to create our own Picasso portraits after discussing Cubism.

Here are some of our portraits. These are yet to be dyed and highlighted with black marker, but we just had to share them as they are!

Still Life

Again inspired by our visit to the Art Gallery and our recent learning about **'value'**.

Value is one of the seven elements of art, which deals with the lightness or darkness of a colour.

We set up some fruit, feathers and a pinecone. The art session was about observation of light and dark, and the details of what we could see.

We all found a comfy spot and sketched what we could see.

Enjoy some of Group 2's absolutely stunning creations, below.

Well, that's all from Group 2 for 2017! We can't wait to share our learning adventures with you next year! Have a safe holiday.

Lots of love, Deepika and Tristan x
