## SCHOOL BEGINS at 9.00am

We would like to remind parents that Primary begins at 9.00am. Please arrive at 8.50am to allow for settling in time and so that we can start on time.

## ABSENTEEISM

A reminder that we need written notification **by 10am at the latest** on any day that your child is absent. This is incredibly important to maintain the safety and welfare of your beautiful children. Please email [office@kinma.nsw.edu.au](mailto:office@kinma.nsw.edu.au) or text the School mobile 0474 500 707 with the reason for absenteeism.

## FEES

We are over half way into the term. We would really appreciate school fees being paid this week to help with our cashflow. Many thanks.

## ROADWAYS AND CAR PARKING

Because the road outside the School is narrow and busy with cars and buses, there is a one way system in force between the hours of 8.30am -9.30am and 2.30pm - 3.30pm. Between these times, please enter through the bottom of Coolowie Road and exit up the hill. Please don't park in the staff carpark at any time. Please don't park in the bus zone as buses need to park to pick up children.

## IDEAS FOR WASTE-FREE LUNCHBOX

Did you know that Kinma has a policy of minimal waste?

Here are some ideas to help the community reduce packaging in lunch boxes.

### BULK SHOPS

There is a number of shops offering a good variety of wrap-free produce on the Northern Beaches. Check them out for snacks, rice, pasta, pulses, grains, flours, spices and other stuff.

<b>SOURCE</b>	in St. Ives, Warriewood and Balgowlah
<b>FLANNERY'S</b>	in Mona Vale, Crows Nest and Lane Cove
<b>MANLY FOOD COOP</b>	in Manly
<b>NAKED FOODS</b>	in Brookvale, Manly and Northbridge
<b>HORN OF PLENTY</b>	in Chatswood

Local Woolworths, Coles and Harris Farm also often sell some produce in bulk, such as **dried fruit** and **snacks**. You don't have to take a new sealing bag every time you buy these - it's perfectly fine to reuse yours as long as you buy the product you put in (sadly, I often see even the new bags overfilled and left at the scale; be aware that the policy supermarket prevents resale of these).

Other items that can be commonly purchased without any wrapping include:

- sushi rolls** in sushi takeaway places (in BYO box; refill the little fish with soy sauce at home)
- dolmades and olives** in supermarkets (some shops will weight your own containers - check first)

### ROASTED SEAWEED

A package of **100 sheets of roasted seaweed** can be purchased in some Asian shops, for example, Asian City Supermarket (369 Victoria Ave, Chatswood, approx. \$31). One such package lasts for weeks or months. Cut the sheets with scissors into small pieces and put them in a sealed sandwich bag. The seaweed keeps reasonably crunchy for a couple of hours when sealed well. Alternatively, you can add a silica bag or capsule salvaged from another product. If your child is in preschool, please make sure the silica is secured so that no little explorer can accidentally open it and eat it (assuming that Primary children understand this), for example by sewing it inside a little fabric pouch

# **The 80s... Great for music, not so great for KITCHENS!**

KINMA's kitchen is stuck in the 80s and we desperately need a new one. Our little kitchen is used daily by the children and staff, weekly for snack attack and for tinkering and we want to invest in a fabulous new one for the kids, ...so we're having a fundraising
